WHEN WE SAY MADE TO FIT, WE MEAN IT.

With so many unique models available, Thor Motor Coach motorhomes are priced to fit anyone’s budget – from families buying their first motorhome to full-timers looking for a roaming “dream home”. No matter how you choose to spend your time or your money, there’s a TMC motorhome that fits your needs. Welcome to the Siesta, the motorhome that is Made to Fit your spirit.
Taking the extra time to ensure the best possible structure is exactly what you deserve, and this is why Thor Motor Coach insists on vacuum-bond laminating not only the sidewalls of the motorhome, but also the floor and roof. Vacuum-bonding is the optimum manufacturing process to ensure multi-layer integrity.
