The luxurious Allegro Bus is the preferred home sweet motorhome for Tiffin owners who live full-time on the road. Built on Tiffin’s acclaimed PowerGlide® chassis, the Bus delivers elbowroom to spare, with 7’ ceilings, four slide-outs, and floor plans up to 45’. As for storage, Tiffin’s Store-It-All® guarantee says it all. Handcrafted hardwood cabinetry throughout the coach supply an abundance of drawers and shelves, complemented by up to 175 cubic feet of basement space. No matter which direction you’re headed, your Allegro Bus is ready to go the distance.
Thoughtful in every detail and in every dimension.
The design of every Tiffin floor plan must meet four essential criteria: **Maximum space. Optimal organization. Relaxation plus. Elegant atmosphere.**

MORE plans offer your family the most comfortable layout for life on the road.

WARRANTY

The Tiffin Five-Star Warranty.
The best in the business, bar none.

At Tiffin Motorhomes, we build for quality first and foremost, limiting our production to just 12 coaches a day to ensure meticulous craftsmanship. It may not be the most business-savvy way to run a company but it is the best way. By investing the time and effort to do things right, we want you, as a Tiffin owner, to have the utmost confidence in your coach, as well as a peace of mind you won’t find with other manufacturers. You see, not only do we stand proudly behind our product, we stand behind you as well.

10 YEAR CONSTRUCTION WARRANTY

The structural integrity of the welded frame of entire coach is warranted for 10 years.

5 YEAR DELAMINATION WARRANTY

We guarantee against all exterior fiberglass delamination or wall separation for 5 years.

1 YEAR COMPREHENSIVE WARRANTY

Your coach is warranted against defects in materials and workmanship for 12 months, or 12,000 miles of use.

1 YEAR COACH ROADSIDE SERVICES

Available through Coach-Net, the country’s largest RV emergency road service, this program provides 24/7 access to responsive roadside and technical assistance.

ONGOING OWNER SUPPORT

No other motorhome company can compare with Tiffin’s exceptional customer service. Email us at service@tiffinmotorhomes.com or call: 256/356.8661.
From uphill to downtown, the Allegro Bus is equipped to make all the right moves.

There’s an art to engineering a motorhome, as elegantly demonstrated in the Allegro Bus’ custom-built PowerGlide chassis. Designed to integrate precisely with the coach body, the PowerGlide earns superior marks in the industry for its engineering, construction, and durability. It also gets rave reviews from owners for its quiet ride, capable handling, and ability to tow heavy loads without complaint. Bob Tiffin sums it up best: “Nothing rides and drives like a PowerGlide.”

Among its superior features:

**MULTIPLEX WIRING**

The electrical systems of most Class A chassis are incredibly complex, requiring hundreds of wires. Not so in the PowerGlide. Our innovative chassis design employs a multiplex system that requires significantly less wiring. Fewer wires. Fewer problems.

**EASIER SERVICE**

Having the Tiffin name on the Bus from top to bottom means one-stop service for coach and chassis. It doesn’t get easier than that.

**SUPERIOR WARRANTY**

The entire coach is covered by Tiffin’s Five-Star Warranty, considered the best in the industry. The PowerGlide chassis carries an additional warranty backed by Tiffin: Three years or 50,000 miles against defects in materials and workmanship. Five years for engine and transmission.

**EXTRA STORAGE**

As a diesel pusher, the engine is at the rear of the coach. This chassis design opens up room for more under-coach storage and a more spacious driver’s cab.

The strong relationships we’ve built with you, our customers, are the heart and soul of our company. Now, with social media, we can connect more than ever before. We invite you to follow us on Facebook, Twitter, Instagram, and Pinterest.
