Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don’t survive are redesigned until they do. This sets our standard in safety and durability.

Fleetwood’s patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a rigid metal frame. This complements the chassis to make it even stronger.

Holding tanks are positioned in the bottom center of the platform to enhance vehicle stability. Holding tanks are enclosed between the upper and lower basement floors. This allows them to be heated to prevent freezing in cold weather.

Holding tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Platform design creates lots of storage area and supports the sturdy Vacu-Bonded® walls.

Setting The Standard In Motor Home Quality.

Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don’t survive are redesigned until they do. This sets our standard in safety and durability.

Fleetwood’s patented Power Platform supports the body with a rigid frame that reinforces the chassis to make it even stronger. This allows Fleetwood to offer triple and quad slide-outs.

For each outer wall, Fleetwood uses one seamless, solid piece of its exclusive Tuff-Coat® fiberglass composite. It resists UV rays, cracks and impacts. Our products look newer longer and that’s a big plus at resale time.

To assure a strong, weather-resistant structure, Fleetwood Vacu-bonds® all sidewalks, floors and ceilings to a durable aluminum or steel frame. The Vacu-bond® process is unmatched by many competitors.

Fleetwood sinks and shelves are designed to handle full-size kitchenware. Few competitors can say the same.

Drawings are for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

**What Drives You?**

Maybe it’s feeling like you’re the only one on Earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you. Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you’ll see what it is that drives us — it’s you.

**RV OWNERCARE** is a limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

**FLEETWOOD TRAVELCADE CLUB** As a Fleetwood owner, you’re eligible to become a member of our owners’ group, Fleetwood Travelcade Club. It’s a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 or visit www.fleetwood.com/clubs to learn more and join the fun!
